MOSES AND THE TEN COMMANDMENTS: REFLECTION

Name: _____

Class Summary:

God had a plan to create a nation through Abraham. Abraham followed God and lived faithfully, never receiving the promises of “Many descendants” (he had one son, Isaac) or “land” (he owned only the tomb his wife was buried in). Generations later, the Israelites were slaves in Egypt. God called Moses to lead his people out of Egypt and to the “Promised Land.” God gave the nation the “Ten Commandments” so their lives would be an example to the other nations. Jesus still calls us to live lives that show we are different and are examples to others.

Scripture Memory Work:

Psalm 1:1-3

Family Time Questions *Youth and Parents please talk about and answer together*

- Youth, what questions do you have about what was learned?

- Read Ephesians 2:8-9 together. What does this tell us about how we are saved?

- Why is the law important?

- How do you live a life that is “different” and is an example of your faith to others (For example: watching what you say, being obedient, serving others)? If you don't feel that you live your life this way, how will you change?

Pray for each other, sharing prayer requests, and asking God to help you share your faith with others through actions and words.
