

# Student Leadership Commitment

- I will strive to be a follower of Christ.
- I will pursue a humble life of prayer.
- I will study scripture, experience community and raise questions to enhance my journey of faith.
- I will learn to serve God by serving others.
- I will attend 8 of the 11 monthly scheduled meetings for the Youth Team. If I miss more than three of the meetings, I will step down from the Youth Team and apply again next year.
- I will faithfully support the ministry of the Pipe by supporting its mission.
- I will strive to be a student leader through working to make Pipe ministries the best ministry for students by sharing my ideas and working hard.
